Equality and Human Rights Screening Statement:

Please tick the option relevant to the screening as indicated over.
Additional detail is required for Options 1 or 4.

1. *Having considered the aim of this policy I am satisfied that there is no scope to promote equality of opportunity or good relations because:*

this is an application for dentists registered with the General Dental Council who fulfill governance criteria to register with the HSCB in order to treat HS patients and be paid for same

Screening indicates that:

2. *This policy has no further equality impacts*

I am satisfied that the actions detailed in the developmental stage template address these issues

This will be kept under review (Screening template attached)

3. *This policy has some minor impact on some of the Section 75 categories (Screening template attached).*

I am satisfied that the actions detailed in the screening template address these issues and that an Equality Impact Assessment is not necessary.

This will be kept under review.

4. *This policy has a major impact on some Section 75 categories (Screening template attached).*

I have concluded that an Equality Impact Assessment will not be undertaken because: _____

5. *This policy has a major impact on some Section 75 categories (Screening template attached).*

I have concluded that an Equality Impact Assessment will be undertaken
