1.1 Title of policy or decision

Records Management Policy

1.2 Description of policy or decision

All Health and Social Care (HSC) records are public records under the terms of the Public Records Act (NI) 1923. It is a statutory requirement for all HSC organisations to implement records management as set out in the Public Records Act (NI) 1923 and in the Disposal of Documents (NI) Order (1925)

The Patient Client Council (PCC) Records Management Policy sits within the context of the PCC overarching information governance policies and procedures. In particular, this Records Management Policy:

- Outlines the requirements for the PCC records management system and processes;
- Sets out the responsibilities for records management within the PCC;
