Free parking is available in car park opposite Lisburn Health Centre (Laganbank Car Park).

Please do not eat, drink or smoke in the 30 minutes prior to appointment time.

What do I do when I arrive?

- Patients should park in the car park opposite the building and WAIT IN YOUR CAR.
- The centre will telephone you at your appointed time to give you directions to the dedicated entry into the building.
- Patients are asked to enter the building unaccompanied. Under 16s can be accompanied by one adult with parental responsibility.

What will happen next?

- A staff member will escort you into the building.
- The staff member will be in full Personal Protective Equipment (PPE).
- You will be asked to wear a mask, sanitise your hands, and you may also be required to have your temperature taken.
- The dentist will examine you and provide the necessary treatment to address your urgent dental need under local anaesthetic (if required).
- You will be expected to comply with full treatment in a timely fashion or treatment may have to be abandoned.
- Please note only one problem only will be treated this visit.
- Following your examination / treatment you will be escorted from the building.

Please note – there will be no cost payable for this service. We would request that you read the patient information leaflet accompanying this document in advance of attending for your appointment.
