Focus Pharmaceuticals has identified an error with the barcodes on the cartons of the above batches of products. When scanned, the barcodes may identify the wrong product. The other product details on the carton, including the name, strength and pharmaceutical form of the medicine are correct.

Recipients of this drug alert are asked to remove affected stock from robotic or automated dispensing systems and to carry out manual dispensing, as appropriate. There is no risk to product quality as a result of this issue, therefore the above batches of products are not being recalled at this time.

For stock control queries please contact: 08708 877025 or [customercare@concordiarx.com](mailto:customercare@concordiarx.com)

For any medical information enquires please contact the Medical Information Department via e-mail [medicalinformation@concordiarx.com](mailto:medicalinformation@concordiarx.com) or telephone on 08700 703033

Recipients of this Drug Alert should bring it to the attention of relevant professionals by copy of this letter.
