

## Helping practitioners to manage medicines safely

SCRIPT is an innovative eLearning programme for effective and appropriate prescribing practice, designed to improve safety and competency among healthcare professionals around prescribing, therapeutics and medicines management. HSCB have recently procured enough licences to offer this programme to all General Dental Practitioners working In Northern Ireland.

The programme comprises seven web-based eLearning modules relating to prescribing and therapeutics across:

### **Safe Prescribing in Dentistry:**

- Medication Errors and Adverse Drug Reactions
- Prescription Documentation and the Drug History
- Special Patient Groups

### **Therapeutic Groups:**

- Management of Infection
- Medical Emergencies
- Pain, Ulceration and Inflammation
- Periprocedural Prescribing
