Dear Colleague

**Referral Forms - Glaucoma and Ocular Hypertension (IOP
refined referral)**

This letter is to advise you that the G1 (suspect glaucoma) and OHT1 (suspect OHT following repeat IOP referral refinement) have been revised. The revised referral forms are available on the BSO website at the following link:

<http://www.hscbusiness.hscni.net/services/2485.htm>

Please ensure that you use these revised referral forms when making a referral to the glaucoma service and bring this information to the attention of all optometrists and OMPs who work in your practice, including any part-time staff or locums.

Thank you for your ongoing support.

Yours sincerely

Mr Raymond Curran
