

April 2020

Ophthalmic Services - Activity Recording Sheet for Period 01/0

Practice Contractor Code:

Practice Name:

Practice Tel no:

*** Please Note: Remote consultations (telephone or video) should only be undertaken by an Optometrist and will involve elements of a normal eye examination, except the tests and procedures provided in a face to face consultation. The Optometrist should ensure careful and clear recording of history, signs and symptoms and the diagnosis and subsequent management or treatment plan. All advice and recommendations provided to the patient should be clearly recorded in the patient's clinical record as usual.**
