| 070096       | 31 July 2023 | 25 x 1ml  | 17 August 2020    |

Active Pharmaceutical Ingredient: lorazepam

#### Brief description of the problem

Hikma Pharmaceuticals USA Inc are recalling the above batches due to an out of specification result with related substances during testing for retain samples. This unlicensed medicine has been imported into the U.K. to meet the special need of individual patients.

#### Advice for healthcare professionals

Stop supplying the above batch immediately. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.

#### Advice for patients

Patients are not required to take any action at this time. This product is administered by healthcare professionals only. If you have concerns about this notification, please contact your healthcare professional.
