TO ALL CONTRACTORS ON THE DENTAL LIST****MDS 764****Tel: 0300 555 0113****16 October 2025****AMENDMENTS TO THE STATEMENT OF DENTAL REMUNERATION (SDR)
2025 (Number 2)**

The Statement of Dental Remuneration 2025 (Number 2) has been updated following the approval of the continuation of the 30% enhancement for the fees associated with fillings, extractions and root canal treatment through 2025/26. These fees have been increased by 4.85% which will be back dated to 1 April 2025. This is to ensure that the enhancement is reflective of the fee increases in line with the Review Body on Doctors' and Dentists' Remuneration 52nd Report introduced in February 2025.

This version also corrects an error with the maximum amount of Continuing Professional Development Allowance payable as detailed in Determination VII 4 (2). The corrected value is £1,844.43 which represents a 6% increase over the previous year.

Changes to Determination I (Scale of Fees)

Gross figures for IoS codes relating to extractions, fillings and root canal treatment, as included in the table below, have been uprated by 4.85%. The new fees and associated patient charges should be applied to all courses of treatment starting on or after 1 April 2025. However, patient charges which have already been paid by patients and recouped from dentists based on the old fee scale should not be recalculated.
