13th March 2026

Dear colleague

FREESTYLE[®] LIBRE 3 SENSOR AND DEXCOM ONE[®] PRESCRIPTIONS: DELETION FROM THE DRUG TARIFF FROM 1ST APRIL 2026

Pharmacy teams should be aware that **FreeStyle[®] Libre 3 sensor, Dexcom[®] One sensors and Dexcom[®] One transmitter** will be deleted from Part III of the April 2026 Northern Ireland Drug Tariff.

HS21 prescriptions for FreeStyle[®] Libre 3 sensors, Dexcom[®] One sensors and Dexcom[®] One transmitters dispensed from **1st April 2026 will not be paid** by BSO.

Patients currently using the FreeStyle[®] Libre 3 sensor or Dexcom[®] One sensors should be advised to contact their prescriber to request a new prescription for the alternative FreeStyle[®] libre 3 Plus sensor/Dexcom[®] One + sensor.

Correspondence was issued to GP practices in February 2026 to remind them to switch patients "[DISCONTINUATION OF GLUCOSE SENSOR MONITORING DEVICES](#)"
