PG Diploma in Health & Social Care Leadership & Management

Educating and developing leaders and managers within Health and Social Care

PURPOSE

The programme aims to equip students with knowledge, tools and approaches that will support and develop them further in their roles, helping them to bring innovative improvements to their service. The programme is also an opportunity to network with other health care professionals working in a range of different roles. Students are supported through LearnHSCNI, supplied with core text books, face to face tutorials and a range of invited expert speakers.

ACCREDITATION & PROGRESSION

The Post Graduate Diploma is an Ulster University validated programme of study, supported by the School of Applied Social and Policy Sciences. This is also an accredited programme for Social Work, which offers an opportunity to gain 6 Leadership and Strategic Award requirements from NISCC. Successful students completing the Diploma may progress to the third year of the Masters in Public Administration (MPA).

Course Director
Siobhán Rice

Email
siobhan.rice@leadership.hscni.net

Tutors
