All bandages supplied are to be of the lengths and widths specified in the Tariff. Where a bandage longer than those specified in the Tariff is ordered, the number of bandages, that will, in total, provide the length nearest to that ordered, should be supplied. Where a bandage in a width other than those specified is ordered, the next wider specified width should be supplied.

2. All bandages to be supplied completely wrapped as received from the manufacturer or wholesaler. Elastic Adhesive Bandages and Plaster of Paris Bandages to be supplied sealed in containers as received from the manufacturer or wholesaler. Except where otherwise stated all bandages possessing elasticity to be not less than 4.5m in length when fully stretched.
