List of Chemists and Appliance Suppliers providing Pharmaceutical Services

GENERAL INFORMATION

Prescription for drugs and medicines written on the BSO prescription form may be taken to any pharmaceutical chemist included in the List. Those for appliances may be taken to any pharmaceutical chemist or to any appliance supplier in the List.

Arrangements have been made by the Board with contractors in many areas for the supply of urgent medicines after normal hours on weekdays and on Sundays and Public Holidays. Notices are displayed in prominent positions in pharmacies when they are closed indicating when and where these services are available.

The names of chemists providing Oxygen Therapy Service are marked with an asterisk *.

Any persons under contract to supply prescribed appliances only are shown at the end of each list of pharmaceutical chemists.
