Subject: FW: Proportion of persons aged 65+ receiving influenza vaccine before 2007/08

Dear [Redacted]

Thank you for your email. I wish to advise you that flu vaccines are done via clinic and not prescription. The BSO would therefore not hold the information you seek.

The Public Health Agency monitor vaccinations, and you may therefore wish to contact them directly to see if they can assist.

Kind regards,
BSO Corporate Services

Subject: Proportion of persons aged 65+ receiving influenza vaccine before 2007/08

Hi,

Are there any statistics or surveys on the proportion of people aged 65+ receiving an influenza vaccination prior to 2007/08?

[Redacted]

Many thanks
